# Rise Up Singing Version

Oh they built the ship Titanic to sail the ocean blue  
And they thought they had a ship  
That the water could never go through;  
It was on her maiden trip  
When the iceberg hit the ship  
It was sad when that great ship went down  
Chorus:  
It was sad. (So sad.) It was sad. (Too bad)  
It was sad when the great ship went down.  
(to the bottom of the...)  
husbands and wives, little bitty children lost their lives  
It was sad when the great ship went down.)

The boat was full of sin and the sides about to burst  
When the captain shouted "women and children first"  
Oh the captain tried to wire, but the lines were all on fire  
It was sad when that great ship went down  
Chorus:  
It was sad. (So sad.) It was sad. (Too bad)  
It was sad when the great ship went down.  
(to the bottom of the...)  
husbands and wives, little bitty children lost their lives  
It was sad when the great ship went down.

Oh they sailed out from England and were almost to the shore  
When the rich refused to associate with the poor  
So they put them down below, where they'd be the first to go  
It was sad when that great ship went down  
Chorus:  
It was sad. (So sad.) It was sad. (Too bad)  
It was sad when the great ship went down.  
(to the bottom of the...)  
husbands and wives, little bitty children lost their lives  
It was sad when the great ship went down.)

O they swung the lifeboats out o'er the deep and raging sea  
When the band struck up with "Nearer My God to Thee"  
Little children wept and cried as the waves swept o'er the sides  
[slow]  
It was sad when that great ship went down...  
to the bottom of the sea... glub glub
